# From Concept to Long-Term Support

Delivering solutions through every stage of the project lifecycle from planning and implementation to long-term operational support.

One Partner. Every Stage.

# GLOBAL TECHNOLOGY ECOSYSTEM

Behind every successful project is a network of trusted global technology partners, helping MB Group deliver secure, reliable and future-ready solutions across critical sectors.

## FIRE & LIFE SAFETY

GLOBAL PARTNERS

Fire Detection • Suppression Systems • Life Safety Solutions

## SECURITY & PERIMETER TECHNOLOGY

GLOBAL PARTNERS

Access Control • Surveillance • Perimeter Protection • Security intervention

## CRITICAL INFRASTRUCTURE

GLOBAL PARTNERS

Border Security • Road Blockers • Critical Infrastructure Protection

# LANDMARK PROJECTS

Every project reflects our commitment to protecting people, assets and operations across some of the region's most demanding environments.

## Royal Oman Police – Nizwa Academy

### 25+ Buildings Networked

Supporting one of the Royal Oman Police's key training facilities, MB Group delivered an integrated fire detection and alarm system connecting 25+ buildings through a centralized network, enhancing safety, visibility and operational readiness.

## Vale Oman Pelletizing Company

### USD 3.2 Million Project 2000+ Aerosol Units Installed

At one of Oman's largest industrial facilities, MB Group implemented a large-scale fire detection and aerosol suppression solution designed to protect critical assets and support uninterrupted operations across the plant.

# Royal Oman Police Border Security

## Border Security Installations

Across multiple Royal Oman Police border installations, MB Group helped strengthen perimeter security through the deployment of anti-terror hydraulic bollards and crash-rated road blockers, supporting safer and more secure access control.

## Government & Critical Infrastructure

### Trusted by Leading Government & Infrastructure Organizations

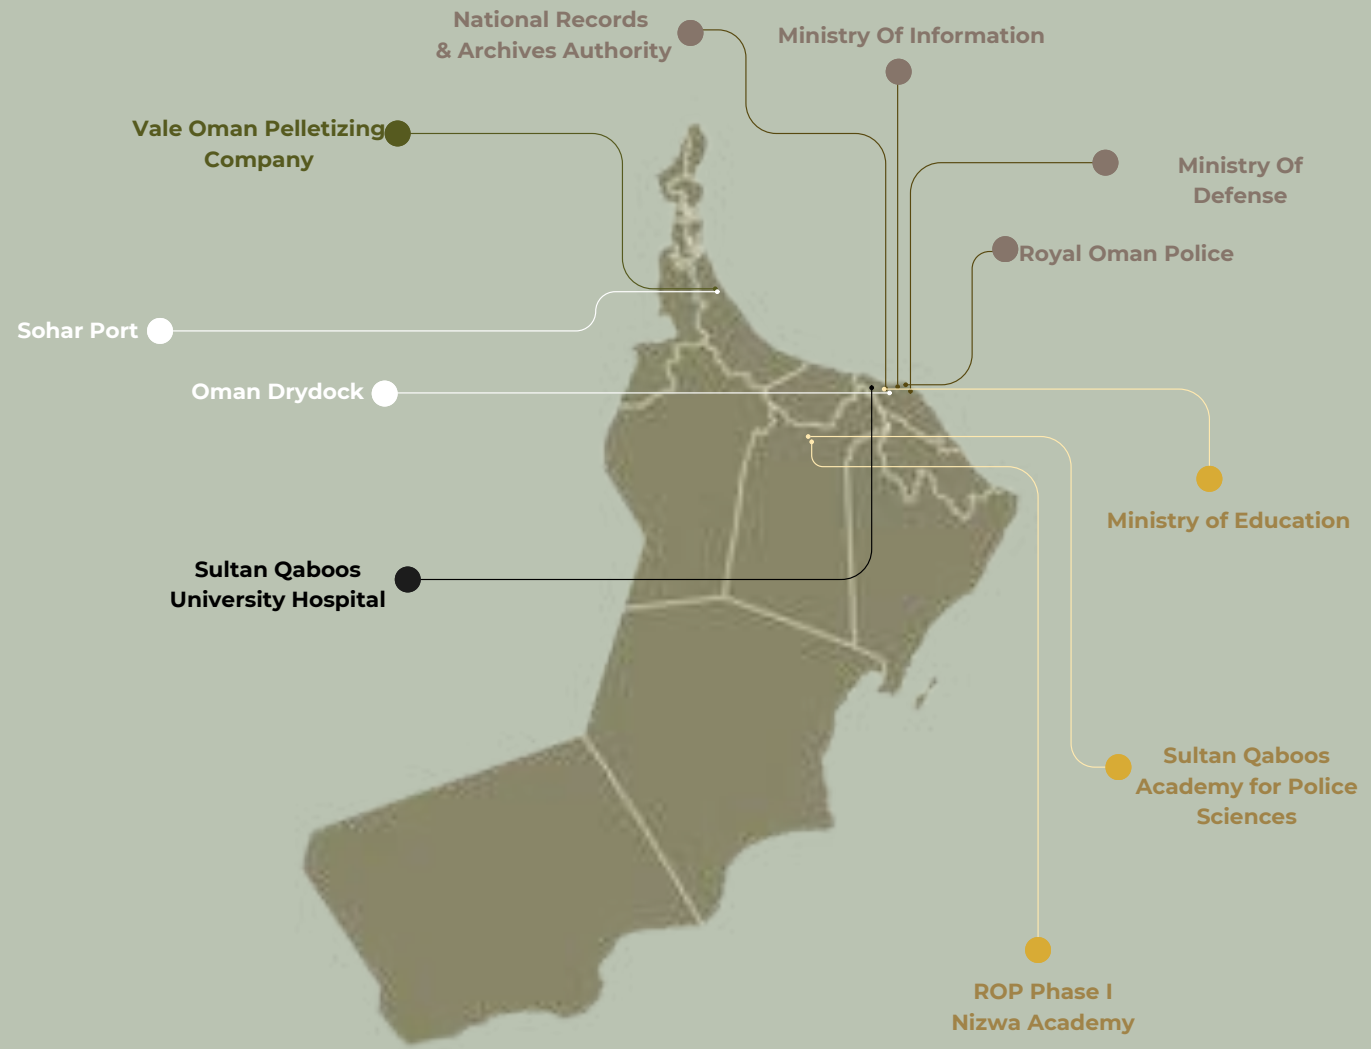

- Ministry of Defence*
- Ministry of Education*
- Ministry of Information*
- National Records & Archives Authority*
- Sohar Port*
- Oman Drydock*

Over the years, MB Group has supported ministries, ports, educational institutions and strategic facilities with security and fire protection solutions designed to improve safety, reliability and operational resilience.

# PROJECT PORTFOLIO ACROSS OMAN

Delivering solutions across government, industrial and critical infrastructure sectors.

### Key Sectors Served

- Government & Defense
- Industrial
- Ports & Maritime
- Education
- Healthcare

- GIS-Based Command Platforms
- Smart Cities Integration
- Building Automation
- Energy & Utility Monitoring
- Geospatial Information Systems
- Remote Asset Monitoring

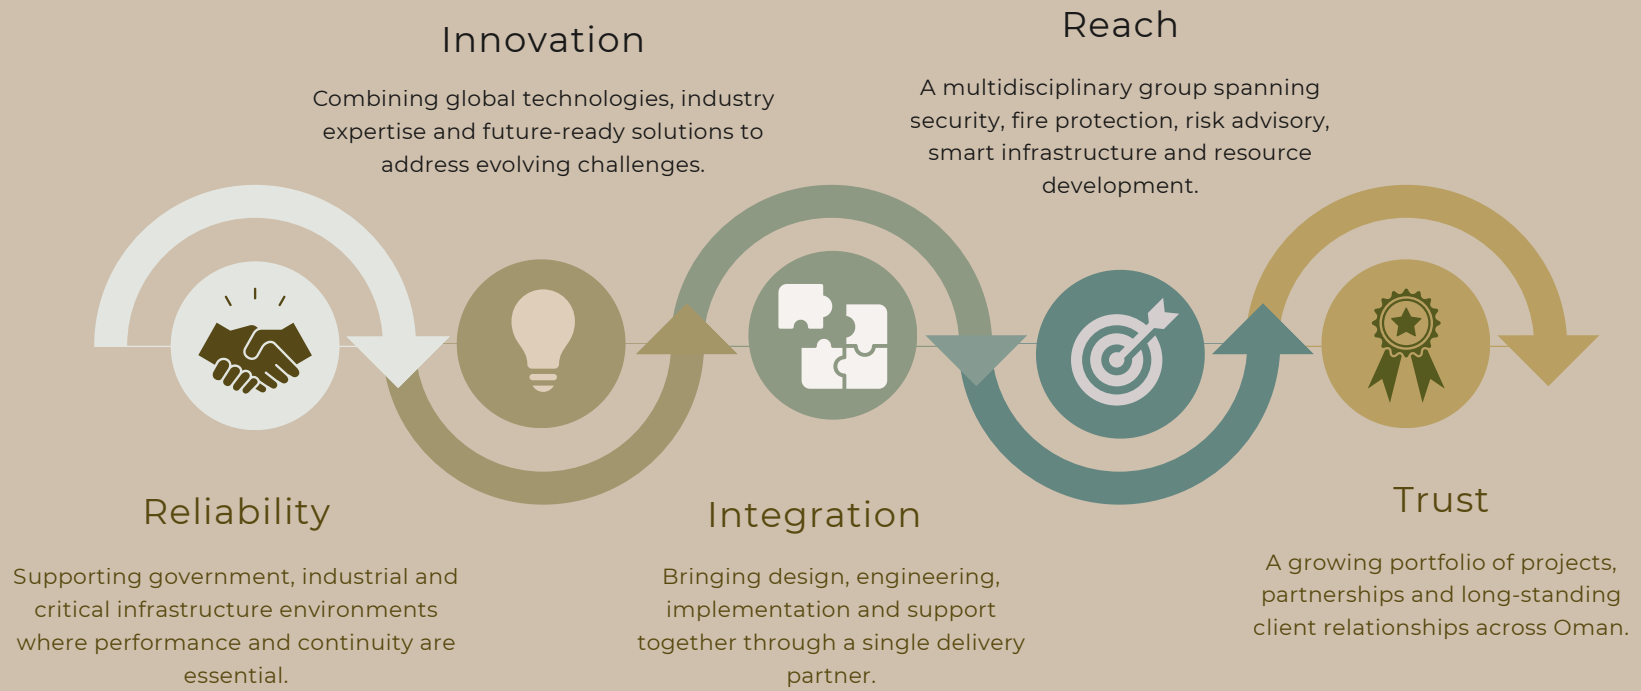

### Exploring Future Resources

- Geological & Geophysical Mapping
- Mineral Exploration
- Drone Surveying
- Resource Evaluation
- Mineral Trading

# WHY PARTNER WITH MB GROUP

More than a contractor.  
A long-term partner in protecting, building  
and growing critical operations.

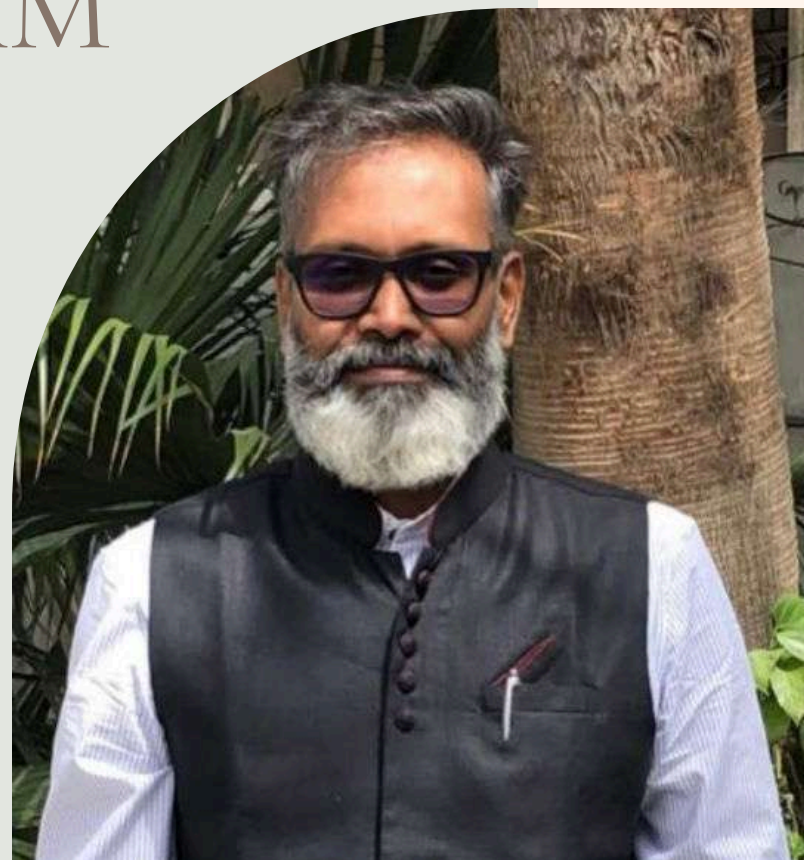

*Every project, partnership and milestone contributes to a stronger foundation for future growth.*

# LEADERSHIP TEAM

## **Santhosh Kumar Nair** *Chairman & Managing Director*

Santhosh Kumar Nair is an entrepreneur and business leader with over three decades of experience across India, the UAE and the Sultanate of Oman. Beginning his career in tax and business consultancy, he later held senior finance and management positions before building and expanding multiple successful ventures. Under his leadership, MB Group has evolved into a trusted provider of security, fire protection, critical infrastructure and advisory solutions, serving government, industrial and strategic stakeholders across the region.

An engineering graduate of IIT Roorkee with executive management training from IIM Lucknow, Kamendra Kumar brings over 35 years of leadership experience across telecommunications, infrastructure and international business. He has held senior positions with LG, Alstom and TCIL (Telecommunications Consultants India Ltd.), a Government of India enterprise operating across 75+ countries, including serving as Director on its Board.

## Kamendra Kumar

*Director*

**Middle East &  
International Business**

## Denzil D.

*Director*

**Technology**

With over 30 years of experience in security systems, fire protection and building management technologies, Denzil has led critical infrastructure and enterprise security projects across India and the Middle East. His expertise spans integrated security platforms, command and control solutions, fire protection systems and smart safety technologies, helping drive the Group's technology vision and innovation strategy.

## Satish P.M

*Director*

### **Business Development (India & Asia)**

With over 36 years of distinguished experience across government, international organizations and corporate leadership, Sathish is a seasoned expert in investigations, security, risk management and strategic advisory. His career includes senior assignments with the Central Bureau of Investigation (CBI), Central Industrial Security Force (CISF), counter-terrorism operations and the United Nations, providing deep expertise into security governance, compliance, intelligence and organizational resilience. His extensive expertise strengthens MB Group's ability to support government agencies, critical infrastructure operators and enterprise clients in navigating complex risk and security challenges.
